Monthly Delivery FAQ

Who can use the monthly deliveries?

Anyone can place an order and utilize our delivery options. We offer 10 months of Metro wide, Cannon Falls, and Rochester deliveries as a way for us to conveniently offer you meats and eggs from our farm.

How do I order?

On the Thursday of the week prior to the upcoming delivery/pick-up day we send out an e-mail notifying everyone of what is currently available. To place an order, simply e-mail us back with the items that you would like to order and the location you will be at to pick up your order. We will confirm your order and that the items you desire are still available. Orders are due by 5pm on the Tuesday prior to Saturday delivery. When we fill the orders on Wednesday and have your actual package weights, we will e-mail you with your final invoice total. Payment is due when you pick up your order, unless picking up at a drop-site. When using a drop-site you must make your payment prior to delivery via phone in credit card payment. We accept cash, check, Visa, MasterCard and Discover Card.

What are the delivery charges?

There are NO delivery charges. However all orders must be filled in our re-usable freezer totes. The first time you order there is a one-time handling fee of \$15 which covers the cost of TWO insulated freezer totes for your orders to be placed in. Your first order goes in the first tote and subsequent orders are then placed in the second tote. You must bring back the totes when you get the next order and we keep swapping totes back and forth. The totes are labeled with your name and you will always get your same two totes. This eliminates the use of plastic bags for orders!
