2018 will be our 7th year offering our CSA (Community Supported Agriculture)

Our CSA subscriptions give families the opportunity to support a true Minnesota family farm, where we work together as a family to provide our CSA members with the best and first fruits of our 100% pasture based farm.

We strive to make sure that all our CSA families feel that they are a part of our family farm. We keep you in-tune with what's happening on the farm and share our triumphs and trials with you. Included with every subscription is an invitation to all our CSA families to join us on the farm for a farm field day complete with farm tours to see how your animals are raised sustainably, egg collecting and end the day with a BBQ grill out!

Our 3 standard CSA subscriptions are filled with a variety of cuts of Beef, Pork, Lamb, Chevon and Poultry depending on the selected CSA package. Our CSA families are treated to the very best of our farm, not the leftovers. In addition, CSA member families enjoy a 5% discount on a' la Carte purchases you may want to add to your monthly package.

We offer 3 Standard CSA Subscriptions and a new U PICK'EM option ~ A brief summary of each is below. Detailed informational sheets are also on our web site at: www.hilltoppasturesfamilyfarm.com Click on the tab at the top labeled CSA PROGRAM. As in the past we offer a NO CURE and a NO SEASONINGS option for the standard packages. This means if you or someone in your family is sensitive to cured meats and/or seasonings used in sausages we will substitute with our uncured bacon and only use fresh ground pork. There is no additional charge for this option, just let us know you need the "NO CURE" or the "NO SEASONINGS" option or specify both options when you sign-up.
